## LYNCHED BY HIS OWN RACE.

Negro Shot to Death For Criminal  
Assault on Girl.

HERNANDO, Miss., March 10.—Thomas Clayton, a negro, was shot to death in this county by members of his own race because of criminal assault upon a 10-year-old girl. He was called to the door of his cabin and bullets from a dozen Winchester were fired into his body.

The blacks will not even bury the corpse and it remains on the ground and in all probability will be devoured by hogs.

There is little or no excitement among the plantation hands.

### Mining Company to Enlarge.

DAHLONEGA, Ga., March 10.—A movement is on foot here among the stockholders of the Dahlonega Consolidated Gold Mining company to organize a new large gold mining and mining company to be capitalized, it is said, at \$2,000,000. It is further said that this new company will be known as the Standard, and that the promoters hold by deed or option 5,000 acres of mineral lands for their enterprise. The nucleus of this new company's enterprise, it is said, will be the famous Tahloneka mine, located about 1 mile from the public square of Dahlonega, this mine having a few days ago been purchased by the Consolidated company.

## POWERS AND DAVIS SECRETLY REMOVED

Transferred From Lexington  
to Louisville Jail.

### WAR SCARE IS SUBSIDING

Republican Legislators May Be Arrested—Democrats Refuse to Deny or Confirm Rumors—Taylor Being Urged to Move to London.

FRANKFORT, Ky., March 12.—A dispatch from Louisville says:

Secretary of State Powers and Captain Davis were brought here from Lexington in custody this morning and placed in the county jail. The prisoners were driven from Lexington to Lawrenceburg, where they took a Louisville Southern train for this city.

The war scare here has again apparently flattened, though leaders on both sides still express grave fears as to the ultimate outcome. Belief among the Republicans that attempts will be made to arrest Republican legislators, in connection with the assassination of Governor Goebel, has resulted in several members leaving town.

Democratic officials refuse either to confirm or deny that such warrants have been issued, though admitting that more arrests will take place within a few days. It is asserted that Governor Taylor is being urged to move the executive offices to London, where he will be safe from possible arrest, but that so far he has refused to entertain the idea.

Both houses of the legislature met in the statehouse this morning. In anticipation of a possible attempt by the state troops to prevent the meeting, quite a crowd gathered around the statehouse square at the hour of meeting, but the members of the legislature were allowed to meet without molestation.

The squad of militia under Lieutenant Peake, who started for London Saturday as an escort for Secretary of State Powers and Captain Davis returned to Frankfort this morning. Outside of this, however, no reinforcements arrived and it is stated now that no more are expected.

### JOHN H. MARTIN'S FUNERAL.

He Was One of the Oldest Editors in the State.

ATLANTA, March 12.—The funeral of John H. Martin, the old and well known Georgia editor, who passed away at his home on Williams street early Sunday morning, will be held at the residence of the deceased Tuesday morning at 10 o'clock. The service will be conducted by Rev. A. W. Bealer of Cartersville, who for many years was intimately associated with Mr. Martin in editorial work in this city.

John H. Martin was a native of North Carolina. He began his work as a newspaper man in that state, and at the age of 17 he was editor of a paper at Raleigh, giving up a position of promise there to come farther south to try his fortune. He moved to this state and settled at Columbus in 1863, taking charge of The Enquirer-Sun in that town as its editor and proprietor. Prior to making his home in Georgia John H. Martin occupied the position of state printer in Alabama, located at Montgomery.

### HIGHER SCALE OF WAGES.

Workers in Type Foundries Get an Advance of 20 Per Cent.

PHILADELPHIA, March 12.—A conference between the type foundries of the United States and their employees regarding wages and the hours of labor has been settled in a manner satisfactory to both sides. The new wage scale and the 9-hour work day will go into effect April 1.

The advance in wages amounts to from 15 to 20 per cent over the present scale. The unions demanded an increase of from 20 to 30 per cent, but accepted a compromise. The conference was in progress nearly a week. The type foundries at the meeting represented fully \$30,000,000 capital and the delegates of the workmen's union represented 10,000 employees. Type foundries from nearly every section of the country were in attendance.

Eugene J. Hall, the poet and publisher, says that one dose of Foley's Honey and Tar restored his voice when hoarseness threatened to prevent his lecture at Central Music Hall, Chicago. Nothing else as good.—W. A. D'Alamberte.

COLUMBIA, S. C., March 12.—The record shows that \$750,000 additional capital is to go into cotton mills as a result of declarations filed within the last 48 hours. On Feb. 27 a statement was published in this correspondence showing that the capital invested or to be invested in cotton mills for the present year aggregated \$2,825,000. To this add: Woodruff Cotton mills, \$250,000; F. W. Poe Cotton mills, increase \$250,000; Croft Manufacturing company, Aiken, \$250,000; making a total of \$575,000.
